Welcome to our Parent/Carer Handbook. We hope it will assist you in understanding more about our policies and procedures.

We are a school very much at the heart of our community.

Bristol Metropolitan Academy is not all about exam results as we very much believe in the power of sport, music and the arts. Our school productions, concerts and sporting clubs are all inspirational. We want all students to take part in the wider areas of school life. With your support, I am confident that we will ensure that your child is academically and socially successful and has a fabulous time at Bristol Metropolitan Academy over the next five years.

We hope you find this document useful in learning more about BMA.

ATTENDANCE

Regular attendance at school is essential to good progress. Attending school every day helps children and young people maximise their learning in the classroom and enjoy the benefits of their educational experience. It is a legal requirement that your child attends school every day unless prevented by unavoidable circumstances. You can find more information below and in our attendance policy, on the Bristol MET website.

Missing school seriously affects life opportunities. Good school attendance (**96% or more**) gives your child the opportunity of success and helps develop skills for life. Parents/Carer's commit an offence if a child doesn't attend school regularly. In some cases, unauthorised absence (which includes arriving late to the Academy) may result in prosecution and/or a fine. Missing school damages a student's learning and their grades - research shows that missing 17 days of learning often leads to a drop of a whole GCSE grade.

ABSENCES – UNPLANNED

Students should attend every day, however, if your child is unwell and cannot attend school, parent/carers need to alert us of their absence before 08:30 on each day of absence. **This can be done by ringing the academy telephone number: 0117 3772071, option 2 and leaving a voice message.** When reporting your child's absence, please provide the following information: Your name, the child's name, their tutor group and the reason for their absence including symptoms in cases of illness. This enables the school to keep records up to date and helps alleviate the concern of children missing from school.

The Academy will follow up any student absences where the parent/carer has not contacted us to explain why, or where we are unclear about the reason for absence. If you fail to notify us of the reason for your child's absence, it will be recorded as unauthorised. Where the Academy has cause for concern about the reason for a student's absence, staff may seek additional information or evidence from parents/carers regarding the absence, and/or make a home visit in order to verify the reason. If satisfactory proof is not provided, the academy may record the absence as unauthorised.

ABSENCES – PLANNED

Please do not take your child out of school without requesting leave or notifying the academy why your child will be absent. When parents/carers notify us of a term time absence via the term time leave request form, it is for two purposes:

- To seek authorisation (only exceptional circumstances will be authorised)
- To tell us where your child is if the planned absence goes ahead.

It is important that we know where child is, as we have a duty to ensure they are safe. If we don't know why a child is absent, we will follow our safeguarding procedures.

Please do not plan for your child to have time off school in term time until you have completed a leave request form and forwarded it to the Academy 4 weeks in advance. These forms can be collected from main reception or on the website under Attendance. Parent/Carers are reminded that unauthorised leave taken in term time can result in a Penalty Notice or Prosecution.

Please note that taking your child out of school to go on holiday in term time will not be authorised and will result in a penalty notice or prosecution.

ABSENCE – MEDICAL APPOINTMENTS

Please try to avoid medical and dental appointments in school time. Should it be unavoidable, please inform us in advance and ensure your child is out of school for the shortest time possible. Evidence of medical appointments must always be provided. This can be done by emailing info@bristolmet.net or by providing the necessary documentation to the school reception. Evidence can consist of anything that shows the child was at a medical appointment: an email, text, letter or slip from the establishment.

Without evidence, we will unfortunately not be able to authorise the absence. Should it be absolutely unavoidable to have a medical appointment during the day then it is best to try to schedule between 10am and 1pm with your child attending school before and after the appointment. This is because it runs across social times reducing the amount of lost lesson time improving learning experience for your child.

ABSENCE – PUNCTUALITY

Students can arrive from 8:10am and are welcome to enjoy our free breakfast club available to everyone. All students are expected to arrive at the Academy in good time for the start of the school day at 8.35am. If a pupil arrives after 8:40am, they will be marked in the register as late, parents/carers will be notified by text message and the student will need to attend breaktime detention. Failure to attend breaktime detention will result in an after-school detention.

We wish to support all students to attend school on time. For students who are regularly late, we aim to work with families to understand barriers. If your child is regularly late for school, they will be included in a Belonging workshop with their peers to support punctuality improvement.

Being punctual within school times is equally as important. We have a punctuality initiative here at Bristol MET. Lates to school and lessons are monitored closely, any student who has 5 or more lates within a school week will be required to attend a one hour afterschool session. You will be notified if your child reaches this threshold and when the session is planned to take place.

ACADEMY COUNCIL

The Academy Council with the Principal have responsibility for the overall direction of the school. The Academy Council includes sponsors, staff and parent members.

The full Academy Council meet each term. The Chair of the Academy Council may be contacted through the school. From time to time, there are elections for parent members as vacancies arise.

The meeting minutes are shared on our website for you to view.

ADDRESS

The school address is Bristol Metropolitan Academy, Snowdon Road, Fishponds, Bristol, BS16 2HD

Telephone: 0117 3772071 **E-mail:** info@bristolmet.net **Website:** www.bristolmet.net

If you have a query or would like to see a member of staff, please do not hesitate to contact us. To make an appointment please telephone or email the school in advance to arrange a mutually convenient appointment. Staff may not, due to their commitments, be able to see you without an appointment.

ASSESSMENT

Students are assessed throughout the year to monitor their progress in relation to the National Curriculum and GCSE courses. Assessment may be in the form of end of unit tests, mock examinations or controlled tests. Students are actively involved in the assessment process and are encouraged to reflect on their own performance and to establish future targets.

Term	Area	Assessment Period
2	Y11 Mocks	October-November
3	KS3 - All Subjects Mark	December-January
3	Y10 Assessment - Core	January
4	Y11 Mocks	February-March
6	KS3 - All Subjects Mark	May-June
6	Y10 Mocks	June-July

BICYCLES

Students who travel to school by bicycle may leave it in the bicycle shed. We are very conscious of the high cost of modern bicycles and recommend the use of secure locks such as a 'D' lock as an extra to the locked shed. All bicycles are left at school at the student's own risk.

BREAKFAST CLUB

Breakfast club is open from 8.10-8.30am. All students can have a **free** breakfast at the Academy from 8.10am. The breakfast menu includes toast, beans on toast, fruit etc. There are optional items that can also be paid for.

BULLYING

The school is determined to vigorously challenge all forms of bullying. We will not tolerate any form of verbal, physical or psychological bullying. No student has the right to make other people feel insecure in school. We have a firm anti-bullying policy, which is available on our website.

CAR PARK

We do have a car park at the Academy **but this is not to be used for drop off and collection of students at the beginning or end of the school day.** Due to the narrow entrance to the Academy, multiple cars coming in and out is a safety concern for the students on foot and bicycle.

If you are invited into the Academy for a meeting or appointment then you can use the car park. Please only park within the marked parking bays and not on double yellow lines, designated reserved bays, disabled bays (without a blue badge) or minibus parking.

CAREERS

Bristol Metropolitan Academy provides independent information, advice, guidance and support to all of our students. We work within school and further education establishments and training providers. We support students with all aspects of their transition through to their Post 16 choices and progression. Providing information, advice and guidance around the opportunities available and the decisions that need to be made around future choices in education, training and employment.

CATERING

Bristol Met's catering supplier (Aspens) uses a cashless system therefore, we are unable to accept cash. We use the provider ParentPay and money can be put on your child's card via the internet. Students can either use their fingerprint (with parent's permission to biometric consent) or a student card to pay for their food at the canteen. If a student loses their card, they must replace it. Replacement cards can be ordered on ParentPay or at Student Reception and cost £2.00. For In-Year admissions, please can students be supplied with a packed lunch for the first few days whilst we wait for them to be on the system.

At break time, students can buy a snack, drink, fruit or sandwich. At lunch time students can select from a choice of hot food, paninis, baguettes, pasta pots and salads. Each day there is a vegetarian and/or halal option.

A main, hot meal costs **£2.70** which also includes, either a pudding. Other items can be purchased and are priced individually, some of the items may include, but are not limited to baguettes, salad boxes, tray bakes, fruit pots, fruit juices. There is a maximum spend of £6.00 per day. Parents can view full account balances as well as items purchased via ParentPay.

Students registered for free school meals can either buy a meal deal or have £2.60 to spend daily. If it is not spent, this does not carry over to the next day. Free school meals are ideally used for the students to have a healthy, hot meal at school every day. They can use the balance on snacks at break time, but it means they will not have enough to buy a hot meal within the free school meal allowance. However, parent/carers can add additional funds to the ParentPay account to allow for the children to buy snacks and a meal if they choose to.

COMPLAINTS

If you have any worries or concerns, please do not hesitate to contact us via email at info@bristolmet.net. Like any organisation we do not always get things right, but we are keen to hear about ways in which we can improve the quality of our service. We encourage initial engagement around any concerns directly with the staff involved. If you would like to make a complaint, please contact the Senior Operations Manager, Amy Cryer in the first instance via email at Amy.Cryer@clf.uk.

DUKE OF EDINBURGH AWARD SCHEME

The scheme is open to all students over the age of 14 and gives an opportunity to progress to Bronze and Silver Certificate. The award is divided into four areas of experience: service, skill, physical recreation and expedition. The scheme is well established and is popular with students. The scheme provides students with an opportunity to demonstrate personal achievement and contribute in a positive way to the community. Duke of Edinburgh's Awards is widely recognised by employers. We are always looking for volunteers so please get in touch if you want to be part of the DofE team by contacting Emily.Pine-Smith@clf.uk

ELECTRICAL DEVICES

Mobile phones/IPODs/MP3's are not to be used in school. You are welcome to bring them into school but they must be switched off during the day and placed securely in a bag or locker. If seen being used, they will be confiscated and retained until collection by an appropriate adult or students can collect from main reception at 3.30pm.

EQUIPMENT

Please ensure that your child has the following equipment available to use in their lessons.

Essential Basic equipment
2 x Black or Blue pen (<i>black preferred</i>)
HB Pencil
Pencil case
Purple pen
Ruler
Rubber
Compass
Protractor
Sharpener
Scientific Calculator (£10.50 on ParentPay)
An appropriately sized backpack to carry in all of the above and fit in books/folders.

You can now purchase an Essential equipment pack for £1. This will include a pencil case, 2 black pens, 1 purple pen, 1 pencil, a 15cm ruler and a rubber. A smaller equipment pack will be available throughout the year called a Geometry/ Replenishment pack for 30p which contains a pencil, 2 black pens and a purple pen. **All of these items are available on ParentPay.** All purchased packs will be delivered to your child during school hours.

If you are unable to provide any of the equipment below, please contact your child's tutor to discuss alternative arrangements.

EMERGENCY CLOSURE

In the unlikely event of a sudden closure, because of weather or other emergency situations, we will endeavor to contact you by text or email with the information. Please also look at our website: www.bristolmet.net

EXAMINATIONS

It is the policy of the school that as many students as possible should be given the opportunity to sit public examinations.

EXTRA CURRICULAR

Staff and students work together to provide a wide range of clubs and activities that take place throughout the year. Art, Music and Drama departments provide a large programme of musical, dramatic and artistic events and the Physical Education department runs a comprehensive list of sports fixtures and clubs. We encourage all students to take part in at least one of the activities on offer.

FREE SCHOOL MEALS

The DFE eligibility criteria has changed in June 2026 which will mean a lot more families will be eligible for Free School Meals. If you are in receipt of universal credit your child will now be eligible for free school meals.

How do I apply? - The easiest way to apply is online at www.bristol.gov.uk/fsm and enter your details. The process is quick, and proof of benefits is normally checked automatically. If you do not have access to a computer, we can arrange for you to use a school computer - please ask at Reception.

What do the changes mean to the school and my child? – There are now two categories of Free School Meal eligibility: Enhanced and Targeted:

Enhanced: This means that your child is Pupil Premium as well as Free School Meal. Meaning the school will have extra funding to use (explained below)

Targeted: This secures Free School Meals for your child but does not secure any Pupil Premium funding. To the student, day to day, there is no difference, both categories will have the same Free School Meal allowance.

How will the pupil premium money be spent on my child?

The Pupil Premium funding is designed to enable the Academy to improve the support available to all students. The money will be used to provide more staff to support students both in lessons, in the academic intervention unit (HUB) and outside of lessons, as well as to fund additional interventions and projects such as Aggression Replacement Therapy, enrichment groups and activities, gardening projects etc. More information can be found on our website here: [Pupil Premium & Catch Up Funding - Bristol Metropolitan Academy \(clf.uk\)](http://Pupil Premium & Catch Up Funding - Bristol Metropolitan Academy (clf.uk)).

FIRE ALARM

In the unlikely event of a fire, the alarm system will sound- this is a continuous 2 tone sound. Students are required to leave the building by the shortest possible route and in an orderly manner. Students line up in Tutor Groups in designated areas on the MUGA. Fire drills will happen throughout the Academic Year as a reminder in case of an evacuation is required.

HOMEWORK

The current KS3 homework policy is based around some well discussed principles of repetition, interleaving and the idea of deliberate practice. Students at Bristol Metropolitan Academy need to develop skills over time, and not just at GCSE, around time management, resilience, self-regulation and determination. Our policy looks to build on these independent study skills right from the start of Year 7. Knowledge is the key to unlocking potential and allowing students to apply the knowledge in each and every subject. We want every student to be successful and feel that homework plays a vital role in the process.

In Year 7–9, students follow a two-week timetable of homework. Each evening, students complete around 15 minutes for each subject on the timetable, which is given to the students at the beginning of each term and can be found on the school website. Students use their knowledge organiser booklet for the term, their orange homework books and their homework question booklet. As Parents/Carers, you can support your child by ensuring that homework is completed conscientiously and in the best possible conditions. If a student has a genuine difficulty in completing their homework or in meeting a deadline, they should make sure that they speak to their tutor/teacher.

HOUSE TEAMS

We operate a house system in the school. There are four houses which are made up of Tutor Groups and led by a Head of House. Your child will be allocated to either Communication, Discovery, Enterprise or Performance.

The Academy is committed to creating a community of support around the child, which includes Tutor, Head of House and Parent/Carer. We are therefore keen to ensure that we stay in touch with all parents/carers throughout the year, that you attend all parent evenings and that you feel comfortable contacting your tutor with any concerns or questions.

Each House is supported by an Assistant Head of House who will contact you in the event of an unreported absence, behaviour concerns and to set up appointments for Tutors or Heads of House. All Heads of House are safeguarding trained.

LEARNING READY

Student behaviour must enable both themselves and others to fully participate in lessons and make progress. Good behaviour can be encouraged and promoted through effective teaching that has at its heart reflective, well planned lessons that encourage a positive classroom climate. There is a clear set of Learning Ready behaviour expectations that must be followed by all students in every lesson. Class teachers apply a consistent approach to classroom behaviour management which provides students with the opportunity to self-correct their conduct.

If a student does not meet behaviour expectations, they will be given a 'Verbal Warning', this will be displayed on the board. If a student does not meet behaviour expectations a second time they will be sent to the Independent Study Room (ISR).

For more information, please refer to our Behaviour/Learning Ready Policy on the website under Policies.

LOCKERS

All students will have access to a key operated locker if they wish. You will need to pay £5 to secure a locker via ParentPay. House Teams will allocate lockers at the start of the term.

If their keys are lost then £5 will be charged to replace the key. Once the locker key is returned, the £5 fee will be refunded.

LOST PROPERTY

In the event of a student losing an item of property they should report to Student Reception. The best advice for a student who has lost something is to go back over their timetable, checking each room in turn. We request that all uniform is labelled.

MEDICAL

First Aid for accidents is provided by a trained first aider. Children who feel unwell should report to their Head of House. If your child is too ill to stay at school, we will contact you in order that you may collect your child and take them home. They should not contact you directly as students should not have access to a mobile device in school.

In cases where hospital treatment is required, it is essential that we have a contact number where we can contact parent/carers in case of medical problems. Please ensure that you have submitted a contact number to the school and notify us of any changes.

Please inform the school of any serious medical conditions, e.g. epilepsy, diabetes, asthma or anaphylaxis. Physical education, chemistry and practical subjects can sometimes present difficulties, so students with a medical problem should inform their teacher should they anticipate any difficulties or feel unwell.

Students requiring medication should speak with their Head of House and a note provided from parents/carers explaining dosage.

MONEY

All money for trips and other activities are to be paid for by ParentPay.

MY CHILD AT SCHOOL APP

We encourage all parents/carers to sign up to MCAS to view your child's attendance, homework, behaviour, receive instant communications, update your personal contact details/ consent. If you require a log in then please email info@bristolmet.net

PARENTS' EVENINGS

In a school year, there are two parents' evening, one to have a talk with your child's tutor and one to meet their subject teachers.

We use the MCAS app to book appointments with the teachers you wish to see. Subject Parents' Evenings start at 4.00pm and finish at 7.00pm.

PERSONAL DATA

We hold information about your child both electronically and, in some cases, hard copy. This includes contact details, national curriculum assessment results, attendance information, behaviour information and personal characteristics such as their ethnic group, any special educational needs they may have as well as relevant medical information. We use this personal data to:

- Support their learning
- Monitor and report on their progress
- Provide appropriate pastoral care
- Assess the quality of our service

It is vital that the data we hold is kept up-to-date. If anything changes, including your contact details or their medical information during the school year, please contact info@bristolmet.net with the new information or update this on the MCAS app. If you wish to know more about how we use and share data please view the Privacy Notice and the Data Protection Policy on our website.

PHYSICAL EDUCATION

If your child has an illness or injury and they are well enough to be in school, then they are assumed to be well enough to participate in any PE lesson they have on that day.

The student should bring a note to their PE teacher explaining their poor health and **must bring in their PE kit**. There may be limitations to what your child can achieve in that lesson and what role they may adopt but it is down to the professional skills of their PE teacher to give them differentiated tasks to guarantee a form of participation and maintain their progress. There are many facets to modern physical education and there are endless activities your child can perform with various ailments.

PRODUCTIONS

School productions take place several times during the year. All students are encouraged to participate either on or off the stage. Auditions take place for each event and all students are welcome to attend.

RECEPTION

Main reception is open from 8am-4pm Monday to Friday.

REPORTS

You will be provided with a report outlining your child's progress 3 times per year. If you have any concerns at any time, please do contact your child's tutor in the first instance.

Students are permitted to remove jumpers/blazers whilst learning in a classroom. Sweatshirts and hooded tops are not permitted. Students found wearing these will have them confiscated until the end of the day.

The Academy tie must be worn at all times. A member of staff may advise them to remove the tie for a particular task but it must be put back on at the end of that task.

STAFF EMAILS

All staff have their own individual email address at school. To contact any member of staff by email use their forename and surname followed by @clf.uk i.e [forename.surname@clf.uk](#).

TUTOR GROUPS

On entry to the school, each student is placed in a Tutor Group. The Tutor meets the group every morning and is the most important contact a child has with the staff. The Tutor is there to register attendance, monitor progress, help students to organise their work, and provide guidance if there are any problems.

If you have any concerns regarding your child, please contact their tutor in the first instance. You can contact them by leaving a message with reception or sending an email to info@bristolmet.net with the tutor's name as the subject.

All tutors or the Assistant Head of House will endeavour to contact you within 3 working days of receiving your message.

VALUABLES

It is important that all children take care of their property. Money should always be kept to a minimum and never left unattended.

VANDALISM

The school has very few problems of vandalism or graffiti by students. Where damage is done to the school buildings, equipment or surroundings by students acting in a careless or thoughtless manner, they are expected to contribute towards repair or replacement. In this way, we hope to encourage responsible behaviour.

VISITS

The school provides excellent opportunities for students to be involved in a wide range of educational visits. These include visits to the theatre, museums, exhibitions, local fieldwork and sporting events. There are also residential trips with opportunities to go abroad.

WATER

We encourage students to drink water during the day. The school provides drinking fountains for students to use at break and lunchtimes. Students may bring a clear water bottle into school and can drink water from this at any time providing that it does not disrupt a lesson.
