

HIGH STANDARDS, HIGH ASPIRATIONS, HIGH EXPECTATIONS

28th April 2023

Dear Parent/Carers,

An invite to complete our family voice survey, to give feedback informing future developments and a couple of nice updates.

Parent Survey – open now! Feedback will help us identify areas of future development. It will take around 15 minutes to complete and ideally, we would ask you to complete one survey for each child you have at Bristol Met as the answers may be different for different children. The survey is anonymous and therefore we **cannot** follow up directly on any individual concerns so please do ensure you contact us directly via info@bristolmet.net if you have a specific concern that you require action on. Please note that the survey closed on Friday 12th May. Complete the survey by clicking this [Link Here](#)

Eco Club - a contingent of students from the eco club have won money for the Academy to implement an active travel plan. They went to City Hall Bristol last week to present their plan and were confident, articulate and real ambassadors. Special thanks to Ms Lintern who stepped out of her role as science technician for the day to lead the trip at the last minute and Miss Small who gave up lots of her spare time in order to help them polish their presentation. Look out for updates on their scheme later in the term!

Bristol Old Vic Trip – students have been working on a project with Bristol Old Vic and went on a trip to the theatre this week. Lots of activities and insights into the workings of theatre. A great time was had by everyone and thank you to Mrs Vince and Miss Morrish for their efforts in organising this project.
