

22nd August 2023

Dear Parents/Careers of outgoing Year 11s,

I hope you and your families are enjoying the summer break, and that your child has managed to relax and unwind after their exams. This is just a quick communication, serving two purposes: a reminder about results day, and some careers guidance information.

As communicated in the term 6 newsletter, GCSE Results Day is on Thursday 24th August. Students can come to collect their results from the assembly hall between 9am to 10:30am.

If you are not able to come and collect the results in person, then you can make us aware of this prior to the day and provide us with a self-addressed envelope with a stamp on and we can post the results home. On the day, we will only be able to give the results directly to the children themselves, unless we get written permission in advance to give the results to another family member over the age of 18.

On the day, our careers advisor, Amy Oatway, will be on hand to help assist with any post-16 queries in light of the results collected.

Thank you, and look forward to seeing many of you on Thursday!

Kind regards

Andy Price
Associate Assistant Principal
