

HIGH STANDARDS, HIGH ASPIRATIONS, HIGH EXPECTATIONS

6th June 2022

Dear Parent/Carer,

Firstly, welcome back to Term 6 and I hope all of our families managed to get some good time together last week with the extra bank holiday and jubilee celebrations.

After what seems like a long passage of time we have now received our Ofsted Report from the 2 day inspection back in March. It can be viewed on our website at this link [Ofsted Report](#)

As you will see, Ofsted have confirmed that we are a 'Good' school.

Whilst we had every confidence that we provide a good quality of education daily this inspection was our first under a very different inspection framework introduced in Autumn 2019 and, of course, coming off the back of a very disrupted two years. At a time when many schools across the country are receiving lower Ofsted ratings under the new framework we are proud to have achieved a 'Good'.

The report has a wealth of positive within it with Ofsted particularly noting that students receive a good quality of education, are well behaved both in lessons and around the academy and have positive attitudes to their learning. They also noted that students feel safe and well cared for by staff. We are humbled that Ofsted recognised the passion that staff have in believing that the curriculum we deliver can change the future for our young people and of course that we have effective measures in place for safeguarding our students, your children.

However, more importantly for me, they have provided two areas where we will continue to focus in order to continue to drive to make Bristol Met the best it can possibly be in order to serve our community of young people and families. Regardless of all of the positive commentary our mission is to be the very best we can be and to take every opportunity to not only maintain our standards but to continue to raise them.

Today I have shared the very basic highlights with students in Tutor time.

Should you have any comments or questions in relation to our inspection please do send them to us on info@bristolmet.net and we will get back to you in due course.

As always, thank you for the support provided to your children and, in turn, to the Academy on a daily basis in helping us to achieve the recognised high standards in the education we provide.

Best wishes,

Mr C Shaw
Principal
