Year 7 Term 1 Newsletter

Dear Parent/Carer

I wanted to extend a very warm welcome to you, now you and your children are part of Bristol Metropolitan Academy. I hope you are well at this time, and that your child has been enjoying their first term settling in at Bristol Met. I am writing to you to introduce myself as the Raising Attainment Lead for Year 7 this year and to explain this part of my role and my involvement in your child's education. My focus is on your child's achievement across all subjects and particularly in Maths and English, working with other staff and communicating with students and parents/carers to ensure that Year 7 students are getting the very most out of their first year here. I intend to communicate with you via a newsletter on a termly basis to keep you updated about important events and information that will help you to support your child.

Homework and Knowledge Organisers

All students should now have been given these two items which they are responsible for and are designed to develop independence. Knowledge organisers are a tool we use to support homework and contain key information for most subjects for that term. There are few expectations which include more practical subjects who will be setting homework separately. They will receive a new knowledge organiser each term which contains key information for every subject. This is to be written in their homework book, following the two-week timetable and with the layout shown in there. Homework completion will be checked daily by tutors and where not completed, we have a graduated response system to address and improve this with students. The knowledge organiser also has space for the students' lesson timetable to be added as I know a few have lost the loose pieces of paper. There is also an additional reading log to record and reflect on what they have been reading at home each week.

Reading and subject Assessments

Year 7 will already have completed a reading assessment at the start of term. We monitor reading ages in all KS3 students across the academy to ensure we have the right support in place where appropriate. Reading assessments take place three times across the year; September, January and June. It is important students engage with these assessments so that we get the most accurate data possible. Students will also complete formal subject assessments in Term 3. These assessments will take place in their normal lessons and will be in different formats depending upon the subject. Students will be prepared for assessments by their class teachers, and I will do some work with them in assemblies about how to prepare for assessments as well as being mindful of their wellbeing and ensuring we look at issues around stress and how to manage this too. I will update you and them about this in my next newsletter, please don't worry about this for now. It's just so you know assessments do happen and when.

Tutor Contact

Tutor evening is Thursday 6th October, and this will give you the opportunity to speak with your child's tutor in person and discuss how they have settled in and ask any questions you need to. Further information regarding booking an appointment will follow shortly. Should you wish to contact them or anyone else at the school beyond these times, please email the school at info@bristolmet.net with details of the member of staff you wish to speak to and your child's name and tutor group.

Attendance

One of the key areas we as a school want to focus on together is attendance to school. We have an Academy aim of all students having 96% attendance or above. Yr 7 currently have an overall attendance of 94.8% so slightly lower than we'd like. Please ensure child is in every day unless there are exceptional reasons. Please do contact us to let us know reasons for any absence on the morning of every absence.

HIGH STANDARDS, HIGH ASPIRATIONS, HIGH EXPECTATIONS

Cost of living

If you are struggling with costs and think you may be able to apply for free school meals please do contact main reception who will be able to support you or follow this link <https://www.bristol.gov.uk/residents/schools-learning-and-early-years/travel-and-free-school-meals/free-school-meals>. In school we also provide breakfast club from 08.10 which is free to all students where they can get a warm breakfast. Please do also speak with house teams or reception if you are struggling with other costs relating to school and we will do what we can where possible to help.

Clubs

Below are some clubs that are currently being offered after school if your child would like to attend.

Term 1 2022 **D&T Club** *Thursdays 3:10-4:10*

| Date | Sessions | Staff |
|----------------------------|-------------------------------------|------------|
| 15 th September | DT – 3D Printing workshop 1 | Mr Vince |
| 22 nd September | Food – Pita Pizza | Miss Evans |
| 29 th September | Textiles – Rag Rugging 1 | Miss Steer |
| 6 th October | DT – 3D Printing workshop 2 | Mr Vince |
| 13 th October | Food – Cornflake/Rice Crispie cakes | Miss Evans |
| 20 th October | Textiles – Rag Rugging 2 | Miss Steer |

Sign up in A03 at break or lunch time. 20 spaces per session. First come first served!

Black History Month Art workshops

Term 1 for KS3. 3.10-4pm. There is a sign-up sheet outside B12. It isn't always on the same day so students need to check the board in Art.

Future dates for the diary
